

permission granted

I, Stacy Julian, hereby grant you permission to scrapbook however you want. Remember, there are no “rules” in scrapbooking. If you’re feeling overwhelmed, let go of the pressure to scrapbook every picture in order. It doesn’t matter if you’ve done it that way in the past. Find a way to scrapbook that works for you now. Trust me, your kids aren’t going to ask you why you don’t have a scrapbook page about every single family celebration they’ve ever attended. They’ll just be grateful for the memories you have preserved.

Embrace what you can do, and have fun doing it!
